### About Relationships Australia Tasmania

Relationships Australia Tasmania (RA Tas) is a leading provider of relationship support services. We're here to help people and communities thrive by supporting people to create positive connections. Our services are for everyone, regardless of race, social status, sexual orientation, gender identity or intersex status.

### Our Values

At Relationships Australia Tasmania we are guided by these values in everything we do:

- Willing to serve
- In it together
- People matter
- Looking forward

### Position Summary

The primary purpose of this position is two-fold: is to provide counselling and case management in the Disability Royal Commission Support Service (DRCSS) with an emphasis on services to clients who have experienced complex trauma, and to contribute to high standards of professional practice within the team in the form of supervision.

### Key Areas of Responsibility

- Provision of professional and appropriate therapeutic interventions and/or case management to those affected by complex trauma
- Provision of accountable, competent and effective professional supervision to staff across the DRCSS program consistent with organisational policy and procedure

- Work collaboratively with the Manager, Clinical and Services Development to develop staff, ensuring ethical and professional practice that complies with RA Tas mission, values, ethics, policies and procedures
- Implement and monitor supervision arrangements for all staff as designated by the Manager, Clinical and Services Development
- Lead and/or participate in supervision practice meetings and group supervision processes
- Complete required administrative work associated with both client and supervision sessions and service contract requirements, including maintaining accurate data and files
- Participate in the review of the quality of therapeutic work within RA Tas programs and liaise with the Manager, Clinical and Services Development to ensure that professional practice meets best practice standards
- Proactively network and assist the organisation to promote the service, its values and intent to the referral base and the community
- Participate in and contribute to professional development and the staff appraisal process in collaboration with the Manager, Clinical and Services Development
- Any other duties as required and within the general scope of responsibilities of this position
