Position Summary

Post Separation Services aim to provide alternatives to formal legal processes for families who are separated, separating or in dispute to improve their relationships and make arrangements in the best interests of their children. Post Separation Services have a particular role to help families with complex needs.

The primary focus of the CCS Case Manager is to assist clients to arrange their use of the Children's Contact Service, to support casual staff and to undertake administrative duties to ensure the smooth operation of the Service. This role will participate in the facilitation of changeover and supervised visiting sessions. The CCS Case Manager will also assist CCS casual staff when rostered for service delivery

Key Areas of Responsibility

- Assist the Coordinator to interview and assess adults and children for use of CCS services
- Ensure that the child's safety and welfare remain the paramount consideration at all times, as well as the safety of vulnerable parents where applicable
- In consultation with the Coordinator, refer enquirers/existing service users to other RA Tas programs or other agencies as appropriate
- In consultation with the Coordinator, plan, negotiate and set up contact arrangements including orientation of children where required
- Participate in changeover and supervised visiting sessions with assistance of at least one other staff member for service delivery
- Carry out administrative tasks necessary for the effective management of service operation, including keeping documentation and file notes, data entry, and ensuring security of all client information
- Ensure ongoing case management including case reviews and evaluation in consultation with the Coordinator
- Assist in the briefing and debriefing of CCS staff in relation to weekend service delivery
- Maintain program records to satisfy both RA Tas and funding body statistical data collection requirements
- Mandatory reporting of child safety concerns in accordance with legislative requirements and RA Tas protocols
- Be responsible for maintenance and ongoing development and review of play resources and equipment required for service delivery
- Any other duties as required and within the general scope of responsibilities of this position
